

To the Members of the California State Assembly:

I am returning Assembly Bill 2339 without my signature.

The bill is unnecessary. I see no reason why a bill needs to be enacted into law that dictates the coordination of meeting schedules.

Nothing in current law would cause the State Board of Education, the California State University Board of Trustees, and the University of California Board of Regents to meet on the same day.

Therefore, I am unable to sign this bill.

Sincerely,

Arnold Schwarzenegger
